- RICH SINGLEY, EMCEE & AUCTIONEER -

Dear Friends of Our Lady of Grace School,

Saint Augustine is credited with saying, "The world is a book, and those who do not travel read only one page." No doubt we can all relate to the experience of a journey - childhood family trips, leaving home for college, a business trip, an extended vacation with a loved one, or just a weekend get-away - that somehow impacted us in ways we could never have imagined. Much like an education which opens one's mind beyond our immediate experiences, travel, too, can allow us to expand our horizons and encounter people and cultures much different than our own.

We gather tonight to celebrate and support the legacy and blessing of our Catholic elementary school at Our Lady of Grace Parish. The theme of our 2022 Gala, "Come Fly with Us", is a creative way of speaking about the partnership that exists between teachers, administrators, and parents as we help our students grow academically, spiritually, physically, emotionally, and socially. Without such a partnership, our school would not be the success that it is, and our students would not have the foundation to become the faith-filled, moral, and ethical leaders of tomorrow that the world so desperately needs.

We are especially grateful for the innumerable hours of work by the talented and creative 2022 Gala Coordinator, Jamie Leicht, the enthusiastic and dedicated Gala Committee, and our Director of Admissions and Development, Kelli Balistreri. We also recognize with deep appreciation the many donors and sponsors - many of whom are school families - who continue to give in ways known and unknown. Thank you for your past support and for all you will contribute tonight in one way or another.

Thank you for coming. Without you, without your support, and without your enthusiasm, events such as our annual Gala would not take place. Now, sit back, relax, and enjoy the flight! May our time together be memorable, worthwhile, and gratifying.

Sincerely yours,
